

Publication Workflow

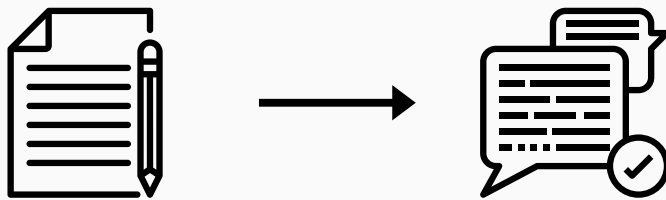

1. Submitting an article

Author submits article to:
submissions@essydo.com

- 1500 – 3000 words
- Turkish, British English or German
- About politics or societal development
- In .docx-format; 1,5 lines; justified; size 11

2. Editing

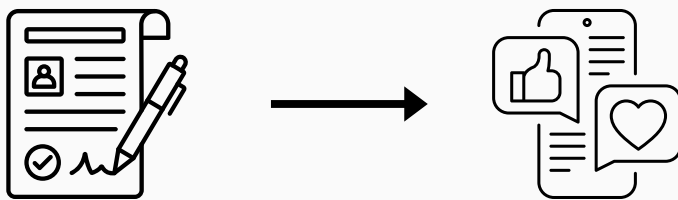

Submitted article is reviewed and sent back to author with feedback.

It is completely normal to pass through 3 to 4 iterations of feedback until an article is ready for publication.

Check our style guide for more information.

3. Publication

Author grants consent to publish.

3x social media posts to promote the article

- Promotion on the following platforms:
- LinkedIn
 - Instagram
 - X
 - YouTube (dependent on content schedule)
